

# Stratos ESD

(STR-3-ESD)

|                        |                                                         |
|------------------------|---------------------------------------------------------|
| Chair height:          | 450—580 mm                                              |
| Height range:          | 130 mm                                                  |
| Seat depth:            | 460mm                                                   |
| Seat width:            | 460 mm                                                  |
| Tilt angle adjustment: | 21° backrest<br>11° seat                                |
| Back height:           | 460mm                                                   |
| Back width:            | 440mm                                                   |
| Castors:               | ESD soft tyre brake unloaded                            |
| Conductivity:          | $R = 10^4 \text{ Ohm}$                                  |
| Standards:             | EN 12527, EN 12528, EN 12529<br>DIN EN ISO 14001 : 2005 |
| Load capacity:         | 50 kgs                                                  |
| Fabric:                | Camira Hi Tech                                          |

Electrical resistivity:  
ISO 61340-5-1  
Resistance to groundable point  
Shall not exceed  $10^{10} \text{ OHM}$

Flammability:  
EN 1021-1  
EN 1021-2  
BS 7176 Low Hazzard
